

Absence reporting on the go

With the new AbsenceResources® mobile platform, you have anywhere, anytime access to your leave portal and its most important features. The mobile platform is free, easy to download, and simple to use.

Download it today to:

- Open a new leave request
- View leave request details and decisions
- Update leave request details (return to work, extensions, etc.)
- Submit documentation
- Track intermittent time
- Learn about federal leave regulations

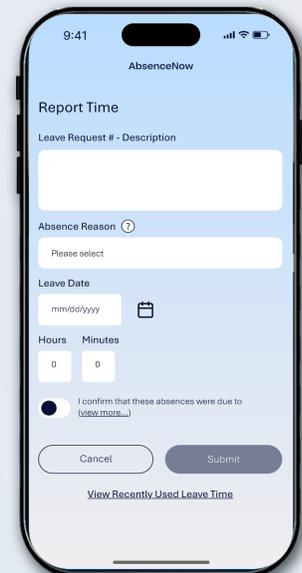

Check it out!

To get started today, simply register on absenceresources.com and download the free mobile platform.

- Go to absenceresources.com
- Click **Register**
- Enter **Employee Number** and **ZIP code**, or **date of birth, last name** and **ZIP code**
- Enter a **Username** (must be 6 characters and no spaces, e.g., joesmith) and **password**
- Answer the other questions as accurately as possible
- Add a personal email address and select your correspondence preference

Download the app

- Search AbsenceResources (no space, one word)
- Select **Install**

For more information

AbsenceResources provide you with access to experts who will answer questions, review guidelines and provide information regarding a job-protected medical or family leave of absence.
