

FMLASource®

# FMLASource® on the Go

With the new FMLASource® mobile platform you now have anywhere, anytime access to FMLASource.com and its most important features. The mobile platform is free, easy to download, easy to navigate and simple to use. Download it today to:

- Open a new leave request
- View leave request details and decisions
- Update leave request details (return to work, extensions, etc.)
- Submit documentation
- Track intermittent time
- Learn about federal FMLA regulations

## Check it out!

To get started today, simply register on [fmlasource.com](https://fmlasource.com) and download the free mobile platform.

- Go to [fmlasource.com](https://fmlasource.com)
- Click Register
- Enter Employee Number and ZIP code, or date of birth, last name and ZIP code
- Enter a Username (must be 6 characters and no spaces, e.g., joesmith) and password
- Answer the other questions as accurately as possible
- Add a personal email address and select your preferred correspondence preference

## Download the app

- Search FMLASource® (no space, one word)
- Select Install

## For More Information

FMLASource® provides you with access to experts who will answer questions, review guidelines and provide information regarding a job-protected medical or family leave of absence.
